THE FORTNIGHTLY OF CHICAGO
120 E. BELLEVUE PLACE
CHICAGO IL 60611-1112

The Fortnightly is a private women's club founded to enrich the intellectual and social lives of its members. The landmark building provides a gracious setting where members enjoy each other's company and a diverse array of cultural, educational and social programs.

Founded in 1873 as a literary club, we remain a small, intimate group of intellectually curious, active women of all ages who gather to share and expand our knowledge, make new connections and build a richer life.

We offer a broad array of daytime and evening programs, on topics as wide-ranging as the arts, science, current events, music, philanthropy, education, economics and more. We also provide smaller, salon-like opportunities to further develop interests in film, music, history, and literature.

We hope you will spend time with us to learn why the Fortnightly has been an oasis of learning and friendship for generations of Chicago women and to find your place among us. We look forward to welcoming you!
